Re: New Bus Stop

Dear Administrator Bradbury: Chris

At the request of Legislator Martin Rogowsky the Department of Transportation is planning to establish a bus stop on King Street near the main entrance to the Bellefair community. The stop would be served by Bee-Line Route 12 (White Plains - SUNY Purchase - Airport - Mount Kisco - Jefferson Valley) which currently makes other stops on King Street between Anderson Hill and Rye Lake Roads.

Before acting, we would appreciate it if you would communicate this proposal to the appropriate village officials and solicit comments at a public meeting. If there is a positive consensus in the community, we could implement service to the new the stop in about 30 days.

Thanks for your assistance. I look forward to hearing from you.

Sincerely,

Lawrence C. Salley,
Commissioner
