Rye Brook Police Department (Fax # 939-8215)
Rye Brook Village Administration (Fax # 939-0242)

From: Chris Graziano, Manger of United Water New Rochelle

Re: **Distribution System Flushing – Village of Rye Brook**

United Water New Rochelle crews will be flushing fire hydrants and blow offs in the Village of Rye Brook at locations as shown on the attached sheet between the hours of 7:30am and 4pm.

We would appreciate it if you would include information on your web site concerning our hydrant flushing program.

A temporary slight discoloration of the water and a decrease in water pressure may be noted as a result of opening the hydrants. If you experience this discoloration of water, please run your cold water in a basement sink for 15-20 minutes. This should clear your problem. Please make sure during this flushing period that you check your cold water for discoloration. If the water is discolored, please flush your line as mentioned above before attempting to do any laundry.

Our workers will carry out this task between 7:30am and 4:00pm. Our workers have company identification cards for your security.

We apologize for any inconvenience this may cause.
