Dear Friend,

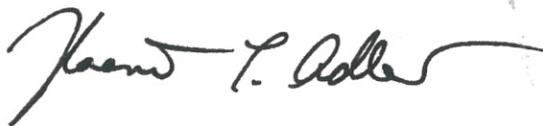

There are hundreds of children in Westchester who need a temporary safe, loving home. We have a fantastic foster care system here in Westchester but there are never enough homes for these vulnerable children- especially for babies, teens, and sibling groups.

This month, will you help us promote the need for foster parents? Please hang the enclosed posters in your offices, distribute them in your community, and give them to friends.

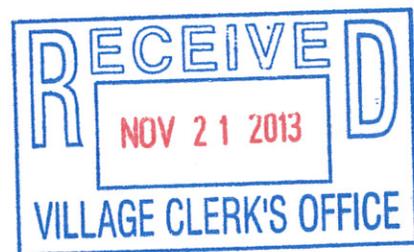

Do you use social media? Post a note "Over 500 children in Westchester rely on foster homes. Learn more. Call United Way's 2-1-1 or go to <http://www.uwwp.org/foster.shtml>"

Thank you in advance for helping Westchester's children.

Respectfully yours,

Naomi L. Adler, Esq.
