What Every Parent And Teen Needs To Know About Alcohol And Binge Drinking

On December 20, 2008, Debbie Allen's 17 year old daughter, Shelby, died of acute alcohol poisoning brought on by binge drinking. Since then, Debbie has been traveling the world sharing her story about the dangers of alcohol poisoning and how little alcohol it takes to kill someone. Debbie is coming here to share her message with our community.

Thursday, October 27, 2016

10:30 AM and 7:30 PM

Blind Brook High School Auditorium
