A Con Edison contractor will be working in your neighborhood for the next several days on a gas construction project. The work is scheduled to start Friday, February 27, with an anticipated completion date of Friday, March 27.

While we work, we'll need to store supplies and equipment along the road in some areas. We also may need to excavate your sidewalk, driveway or lawn area. If your property is affected, we will restore it.

If you have private facilities buried in your lawn, such as sprinkler lines or electric dog fences, please notify Con Edison's Construction Management Group weekdays between 7 a.m. and 3:30 p.m. You may reach **Kevin Dowling** at [Dowlingke@conEd.com](mailto:Dowlingke@conEd.com) or **1-914-789-6652**.

During the work, we may need to interrupt gas service temporarily. We will notify you in advance if your service will be affected. We will need access to your home to restore your gas service, and we will work with you to accommodate your schedule. **If you are not home when work is completed, please call 1-800-75-CONED (1-800-752-6633), so we can return to restore your service.**

We are committed to working closely with you to minimize any inconvenience, and we thank you for your patience.
