Re: **Distribution System Flushing – Rye Brook**

United Water crews will be flushing fire hydrants and blowoffs in the Village of Rye Brook at locations as shown on the attached sheet on Wednesday, April 15, 2009 between the hours of 7:30 am and 4:00 pm.

We would appreciate it if you would include information on your web site concerning our hydrant flushing program.

A temporary slight discoloration of the water and a decrease in water pressure may be noted as a result of opening the hydrants. If you experience this discoloration of water, please run your cold water in a basement sink for 15 – 20 minutes. This should clear your problem. Please make sure during this flushing period that you check your cold water for discoloration. If the water is discolored, please flush your line as mentioned above before attempting to do any laundry.

Our workers will carry out this task between 7:30 a.m. and 4:00 p.m. Our workers have company identification cards for your security.

We apologize for any inconvenience this may cause.
