DEPARTMENT OF ENVIRONMENTAL FACILITIES
Commissioner Thomas J. Lauro, P.E.

COMPOST BIN SALE DAY - Saturday, May 17, 2008

Saxon Woods Pool & Park, White Plains

This is a rain or shine event. You must pick up your bin(s) on the day of the sale only.

Two types of composting bins will be available:

30"

36"

\$20 bin suitable for gardeners looking to compost mostly leaves and grass. This bin is expandable (up to 36" in diameter) and it has an open top and perforated sides allowing air, water and sunlight to enter and assist in the decomposing process.

30"

36"

\$40 "enclosed" bin that features a locking lid, bottom harvest door and anchor pegs to secure it to the ground, making it ideal for gardeners interested in adding organic food waste to the compost. This bin does not have a built-in crank to turn the compost, and the organic material should be periodically stirred manually (as with a pitch fork) to expedite the breakdown of organic matter.

Bring Your Lawn and Gardening Problems to the Experts!

Compost Bin Sale Day will feature a garden question and answer booth by skilled staff and Master Gardeners of Cornell Cooperative Extension of Westchester County.

Learn how to:

- Make Compost in Your Backyard
- Use Compost as Mulch
- Prepare and Use Compost Teas
- Identify the Asian Longhorned Beetle
- Maintain Your Yard and Garden With the Least Toxic Pesticides
- "Grasscycle" to Benefit Your Lawn
- Have a Healthy Green Lawn and Protect Water Quality

To make sure we have a bin for you, reserve by Wednesday, May 16.
