

NOTICE

Dear Resident:

In order to make water supply system improvements, United Water Westchester (UWW) will be performing water main work on Comly Ave during the week of October 22nd. UWW's contractor, Joken Development Corp, will be performing this work, which is expected to take approximately one week to complete. The majority of the work will be performed during normal business hours with the exception of some critical work, which must occur at night and is scheduled to occur on the following nights:

- **Tuesday, October 23rd 9:00PM to Wednesday, October 24th at 5:00AM**
- **Thursday, October 25th 9:00PM to Friday, October 26th at 5:00AM**

Please note that should inclement weather prevent the work from occurring as scheduled, the work may occur one day later. UWW has received approval to perform this work from the Village of Rye Brook and the Town of Greenwich. This work will not impact the availability of water to Aquarion residents but it will impact water service to the UWW residents. UWW customers will be notified of shutdowns via separate notices. We regret any inconvenience this project may cause and appreciate your cooperation.

Should you have any questions or require any further information in this matter please contact UWW engineering department at (914) 637-5309 during business hours. In case of an emergency after business hours you can call UWW's emergency telephone number (914)632-6900 for assistance.

Very truly yours,

UNITED WATER WESTCHESTER
